

TO MY NEW OWNER,

Now that I'm here, safe at your home,
please forgive me if I'm scared to be alone.
If I mess on your floor, or scratch up your door
whenever you leave to go to the store-
be patient, be kind, it's your world, not mine.
It may take some time for me to unwind
and build the trust I have yet to find.
You've saved me from living a life so lonely,
from having to wait and waste away slowly.
So should you find it in your heart to keep me around,
I will love you always and forever.

Sincerely,

Your Dog from the Pound
