

TEACHING YOUR PUPPY WHERE TO POTTY

- Prevent unsupervised access that can lead to mistakes
- Teach your puppy where the appropriate relief area is by taking him/her to the same spot every time.
- Reward elimination in the correct relief area
- Anticipate when your puppy needs to go!
- If your puppy starts to have an accident, interrupt and take him/her to the appropriate area.
- If your pup has an accident when unsupervised, do not punish him/her for breaking a rule they do not understand
- Clean mistakes with an enzymatic cleaner

ALWAYS TAKE YOUR PUPPY TO POTTY AFTER:

- Right after a meal
- Immediately after sleeping
- After a play time session
- Don't forget to praise him for pottying outside!
